Subject: Submission of Demand Draft no 213822 of INR 47,46,500 towards late fee for RERA-GRG-1573-2024.

Dear Sir,

We have applied for registration of our group housing project namely 'Waterfall Suites II' with temp ID RERA-GRG-1573-2024. During the process of application, applicability of late fee was highlighted to us by the authority.

We humbly submit that the late fee should not be applicable to our project since this project is being undertaken in phases. Nonetheless, we are herewith submitting a demand draft of INR 47,46,500 (Rupees Forty-Seven Lakhs, Forth-six thousand and five hundred only) under protest, in order to save time for the issuance of our Registration Certificate.

Thanks and regards,
For KRISUMI CORPORATION PVT. LTD.
