PROFORMA INVOICE

Terms and Conditions

1. The price stated above is subject to change without notice. The price prevailing at the time of issuance of retail invoice of the vehicle shall be applicable and binding. The Proforma Invoice does not constitute a confirmed order of the Vehicle.
2. The current price of vehicle is valid only for a period mentioned on the Proforma. If the Customer does not complete the purchase within this timeframe, the prices and details listed on the Proforma Invoice may be subject to change.
3. The applicable statutory levies, taxes or registration charges either present or future shall be borne by the Customer. The above-said taxes, registration charges are given for reference purpose only. The model, exterior colour of the Vehicle and accessories are subject to availability at the time of invoicing of the Vehicle.
4. At the time of booking of the Vehicle, the documents like photocopy of the Identification proof and valid address proof, etc. will be required.
5. Any dispute relating to this Proforma shall be subject to jurisdiction of the Courts from the location where this Proforma Invoice has been issued. BMW India Private Limited reserves the right to alter/modify or discontinue a model or features of a Vehicle without prior notice.
6. The Customer acknowledges that they have reviewed the proforma invoice and agree to the terms and conditions outlined therein.
7. The booking amount of Vehicle will be following:
CKD Vehicles & BEV will be Rs. 150,000/- and for all other variants of Vehicles shall be Rs. 500,000/-
8. Cancellation of booking of Vehicle: The total booking amount will be refunded if Customer cancels the booking within 3 days of the payment of the booking amount. After that, the entire booking amount shall be non-refundable and non-adjustable against other products under any circumstances.
9. BMW electric vehicles come with a standard installation kit, which includes the following component: RCBO, RCBO enclosure, 10 meters of supply cable and 10 meters of earth cable.
Any additional requirements or costs associated with the installation of the charger, including but not limited to extended lengths of supply or earth cables, pedestals, and civil works shall be the sole responsibility of the customer and must be settled at the time of installation.
10. Any subsidies offered by Central or State Government authorities must be claimed directly by the customer with the respective government bodies. The dealership shall not be held liable to provide any assistance in the application or processing of such subsidy claims and bears no responsibility for the acceptance, rejection, or outcome of any such claims made by the customer.
