Subject: Approval Request for HT Line Breakdown Work

Dear Sir,

This is to inform you that our HT line has suffered a breakdown, and immediate repair work is required to restore the power supply.

In this regard, please advise whether we should initiate the work by calling the vendor directly, or if an approval note needs to be prepared prior to execution. Kindly note that the rates for Green India (our designated vendor) are already pre-approved.

Your prompt guidance on this matter will be highly appreciated, as the repair is urgent.

Warm Regards,
