Dear Disha

As per our telephonic conversation, please find below the costings as required:

- 8 grams = INR 38000 + 3 Percent GST, 22kt Hallmarked
- 4 Grams = INR 19250 + 3 Percent GST, 22kt Hallmarked
- 2 Grams = INR 9800 + 3 Percent GST, 22kt Hallmarked
- 1 Grams = INR 5100 + 3 Percent GST, 22kt Hallmarked

Please note that the gold price changes every day and we would consider the gold price at the time we receive the amounts from your end.

For your requirements we can consider:-

Item	Quantity	Amount	Total
8 Grams	4	38000	152000
4 grams	1	19250	19250
2 Grams	2	9800	19600
			190850
		3 Percent GST	5726
		<b>TOTAL</b>	<b>196576</b>

Please let me know whatever you finalise.

Thank you

Regards
