Subject: Procuring Nescafe & Amul/ Mother Dairy

Dear Abhishek San,

As discussed with Ashok San lets replace the existing brand of cold coffee, butter milk, mango lassi (which was tasted and selected by our team members only) with Nescafe and Amul / Mother dairy.

We had suggested these brands initially also however there were some concerns regarding stock availability which we understand but going forward please bring the new stock of new brands .

Keeping our customers happy and delighted is our top priority and we appreciate admin's support in this.

Thanks & Regards
