Subject: Price Increase of consumables & Rental- w.e.f. 1st April 2022

Dear Client,

At the outset we would like to thank you for your continued patronage of our range of hot beverages. We have always endeavoured to ensure that our customers enjoy world class beverages of consistent quality and have the widest possible range to choose from. Due to significant increase in cost of some commodities and other input costs we are unable to hold the existing price any longer. Therefore we find no other option but to marginally increase the prices of our range of products to partially offset the increase in ingredient cost.

With reference to the above subject we would like to inform you that there will be price revision for below mentioned products effective 1st April 2022.
