**Subject:** Replacement of Glass door for Sales lounge - backyard side.

Dear Pranoy San,

Reference to our discussion , the taughtened glass door towards backyard of Sales lounge ( Near model Area) is damaged..

Our registered vendor MTE interion has removed the damaged glass due to safety reasons and out ply board.

The challenge vendor is facing is: that he is not able to get the similar shade/ colour, and requesting for the Code; / no, ;

Dear Ajay San: As advised by Pranoy San, Kindly arrange for an vendor who can provide the glass door on priority...

Door size -s 2400 MM , 1200 mm , however templet needs to be prepared by vendor for actual size ( locks & handle space as per locations)
