Dear Colleagues,

Christmas and New Year is a time for love and sharing. It is fun to receive gifts, but this year we would like to be the ones who would share gifts, blessings & happiness.

As recommended by many of you, we thought of spending a day full of love and fun at Udyan Care, NH-8, Village Narsinghpur, Gurgaon tomorrow i.e. on 30th Dec 2023 (Saturday). It's a home for orphaned, abandoned and neglected children. It aims to provide less fortunate children a decent home where spiritual, physical, emotional, social and intellectual welfare are promoted. It has currently 32 kids between the age of 6-22 years old.

A visit to an orphanage is a life-changing experience as it is filled with emotions and sentiments. After visiting an orphanage you start appreciating the little things in life when you see people who don't have them. We should experience the happiness of these children while playing and sharing with us. This feeling is magical.

You would remember that we had visited our little brothers there last year and you had felt the enthusiasm, togetherness, love and care in each of the games we played with them like Dash, Lemon Race, Sack Race, Three Leg Race, Wheel Barrow, Football, Volley Ball etc. Let's repeat the celebrations of Christmas & New Year with these kids tomorrow (Saturday).

You can directly reach Sat Krishna Public Charitable Trust by 9.50 am tomorrow so that we can start the activities by 10 am sharp. We will have some out-door and in-door games there with kids. We will have lunch with them and come back by 3.30 pm. We will also give them gifts from their wish list shared by them.

Employees who would like to contribute voluntarily towards this initiative may do so by handing over the items to them directly tomorrow.

Let's make this a memorable event and experience the "JOY OF GIVING".

Warm Regards,

Tomy Thomas
