NEW BIKE

Dear Sir,

I hope this message finds you well.

I would like to bring to your attention that the facilitation charge of ₹750 and the temporary number plate charge of ₹150 are not services for which we generate bills. These charges are processed directly without any formal billing from our end, as they fall outside the scope of our standard invoicing system.

We understand that proper documentation is often necessary for your records. However, in this specific case, we regret to inform you that it is not possible for us to issue a bill for these particular charges.

If you require further clarification or assistance regarding this matter, please feel free to reach out. We value your understanding and appreciate your cooperation in this regard.

Thank you for your continued trust and support.

Best regards,
