**Father's Day And Monthly Birthday Celebration**

International Father's Day is being Celebrated on 15th June'2025. As we had celebrated earlier, we would like to call our employees' children for Father's Day celebration on 17th June 2025 (Tuesday), Fathers can proudly showcase their office and working environment to their children. Since we celebrate Women's Day & Mother's Day, we normally miss out on the celebration of our male employees. It will boost our employees' morale, strengthen bonds, and promote a family-friendly work environment, enhancing overall workplace satisfaction and productivity. These activities will serve as a gesture of appreciation and provide a moment of relaxation and enjoyment for everyone involved. This includes the fun activities, cake cutting, and lunch. Actual amount may vary as per consumption.

The approximate costing is given below:
