**Subject:** Urgent:- Request to Procure New Software

Dear Gyanendra San,

We have an urgent requirement for which we need to purchase a special software to create Phase 1 club ODU Green Wall Render. We need to showcase this render urgently to the client. We would also need this for Future phases renders.

Please help me get access to the software asap so I can create the required render. Software details are attached below:-

The screenshot shows the ITOOSOFT checkout interface. At the top left is the ITOOSOFT logo. On the top right, there are dropdown menus for 'English' and '€ EUR'. Below the logo, a progress bar indicates three steps: 1. Billing Information (active), 2. Confirmation and Payment, and 3. Finish. A 'Back to shopping' link is on the left. The main heading is 'SECURE CHECKOUT'. The product is 'Forest Pack + RailClone Bundle' with a quantity of 1 and a price of 449,00 € / 42,945.50 ₹. Below the product name, it says 'Selected options: (edit)', '1 year', and 'Stand Alone License'. Under 'Bundle content:', it lists 'Forest Pack Pro' and 'RailClone Pro', each with a quantity of 1. At the bottom right, the 'Total price' is 529,82 € / 50,675.69 ₹, and 'Total GST (18%)' is 80,82 € / 7,730.19 ₹. A link 'I have a discount coupon' is on the bottom left.

Please let me know If you have any question.
